## P.O.P. NOTES

July/August 2011 Volume 49 Issue 7

### Summer Thoughts

As I write this, we are in the middle of a 95° heat wave. Summer has its full grip on us and does not want to let up. These are the days that we enjoy most because we can spend time with friends and family at Idlewild, at a cookout at the house, or with the children of the congregation and the community at our Vacation Bible school.

As Summer continues on, I have a few observations that I would like to make:

- I am overjoyed at the fact that we have not had our summer worship attendance losses. Attendance has been good throughout the summer and that has helped us to have inspiring worship and grace filled moments on Sunday Mornings.
- I want to thank you for your giving over the summer. In years past, we have struggled with finances during the summer months. Your giving has been generous and has allowed us to not "sweat" so much during these summer months. Ministry happens because of your generosity and I wanted to thank you from the bottom of my heart for your stewardship throughout these months.
- I want to thank Verna Allen for being our Treasurer over these last years. She stepped in and did a tremendous job for the congregation. We cannot thank her enough. I also want to thank Ed Sparber for stepping up and filling in for us upon Verna's resignation. We cannot thank him enough for taking over the reigns and working with our new Treasurer, Lisa Mentch. I am excited that our congregation gets to work with Lisa in this new way and I ask that you would pray for her as she begins this new role in our congregation.
- I ask for your prayers for our Christian Education ministry as we look to our future and look at bringing our Sunday School program back so that we can grow as a congregation and allow our children to experience Christ in this way again. While we have not fully developed what the program will look like, I am excited that we are planning to bring this important ministry back, while still keeping our Faith Family and Fun Night alive to experience God in that way as well. As we begin the Christian Education year in September, I hope to see you and your children as we learn about God's love for us together.
- Our Property Ministry will soon be looking over bids to put a new heating system in the Sunday School side of the building. This will help us out financially in the long run as our current heating system is just costing us far too much money to continue to be an option. I give thanks in this because of the forward thinking and generosity of Ron Poole. Ron, before his death, named Prince of Peace as the beneficiary of a \$15,000 life insurance policy. The Congregation Council has designated that \$10,000 of that money will go to the heating system. We will eventually have a congregational meeting to discuss the bid that is chosen and how to finance the rest of the cost of the heating system.

I have been the pastor here at Prince of Peace for a little over three years. I have been blessed to call you my family and to be called here to serve Christ here at POP. You all have blessed my family in so many ways and given us a beautiful house in which to live as we serve you. I want to thank you for all that you do for us, the kind words, the generosity that you show, and the love that you have given to us.

I look forward to many more years of calling you my family and serving you as your pastor. This congregation is a place where Christ is truly present and a place that am proud and honored to call home. I pray that you will have a safe and blessed rest of the summer and I hope you can keep cool during the warmest of days.

Yours in Christ,

*Pastor Bill*

**CATECHISM CORNER**

From Luther's Small Catechism  
**The Apostle's Creed**

*The Second Article: On Redemption*  
**I believe in Jesus Christ, his only Son, our Lord. He was conceived by the power of the Holy Spirit and born of the Virgin Mary. He suffered under Pontius Pilate, was crucified, died, and was buried. He descended into hell. On the third day he rose again. He ascended in to heaven, and is seated at the right hand of the Father. He will come again to judge the living and the dead.**

*What is this?*

**Answer:** I believe that Jesus Christ, true God, begotten of the Father in eternity, and also true human being, born of the Virgin Mary, is my Lord. He has redeemed me, a lost and condemned person. He has purchased and freed me from all sins, from death, and from the power of the devil, not with gold or silver but with his holy, precious blood and with his innocent suffering and death. He has done all this in order that I may serve him in eternal righteousness, innocence, and blessedness, just as he is risen from the dead and lives and rules in eternity. This is most certainly true.

## STEWARDSHIP

**Susann Tschupp – Ministry Chair**

### **Showing our Devotion**

Webster's Dictionary defines devotion as "loyalty, deep affection, or religious worship." We can be devoted to jobs, to families, to hobbies, to attaining success, wealth, or status. We can be devoted to a political party or a sports team. A Christian's highest devotion should be to His Lord and the Lord's Church.

We show our devotion to Christ in different ways, but much of our devotion is expressed in what we say or do. To the Ephesians Paul wrote, "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them" (Ephesians 2:10). Our good works show our devotion to God for Who He is and what He has done for us. As Christians, we show our devotion to Jesus through the faithful stewardship of our time, talents, and money.

As devoted stewards . . .

- we give generously. Giving puts our devotion into action. Because of our devotion to Jesus, we generously give Him our best. Jesus said, "Freely you have received, freely give" (Matthew 10:8 NIV). He also said, "It is more blessed to give than to receive" (Acts 20:35).
- we follow Jesus' example of serving. Jesus said, "...the Son of Man came not to be served, but to serve . . ." (Matthew 20:28). Filled with Christ's love and grace, we become new people who are prompted to follow His lead by helping and serving others. "For the love of Christ controls us, because we have concluded this: that one has died for all, therefore all have died; and He died for all, that those who live might no longer live for themselves but for Him Who for their sake died and was raised" (2 Corinthians 5:14-15).
- we love others. We are to love our neighbors as ourselves (Matthew 19:19). We are equipped by Christ to be loving people because He changes us into loving people. Paul wrote, "So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith" (Galatians 6:10). Peter wrote, "Above all, keep loving one another earnestly, since love covers a multitude of sins" (1 Peter 4:8).
- we are in this world but not of the world (John 15:19). We acknowledge that God is the owner and the source of all good things. We are devoted to Jesus, so we hold things of this world loosely. We love people rather than things.

May God keep our hearts devoted to Him and, through our devotion, may He be glorified.

For 50 years, we have served the people of Lawson Heights, Latrobe, Unity Township and the Synods of Southwestern PA. Beginning in January, we will have a yearlong celebration of this important event in the life of this congregation, but we need your help!!! **We are forming a 50<sup>th</sup> Anniversary Committee to plan the events of this special year in the life of the congregation.** The committee would like to plan a special event for each month of the year, so this does not have to be a year-long commitment. If you would like to be involved for a certain month, or have an idea you would like to share, contact Vickie Onusko, Shirley Kelley, Pam Yuhaniak, or Pastor Bill. We will have a committee meeting early in September, so watch the next Newsletter and weekly bulletins for details.

#### **Protect your family against the unexpected**

Without proper protection, the money you're working so hard to save could be lost if you were to die or suffer an illness or injury. Are you protected?

- **Life insurance:** One in four Americans dies before he or she retires, which can undermine a family's financial health.<sup>1</sup> You lose the person's current income, as well as the potential retirement assets. Having adequate life insurance can help protect your family.
- **Disability income insurance:** Illnesses and injuries are more common than you might think. A 25-year-old has a one in four chance of experiencing a long-term loss of income from a disability before he or she turns 65.<sup>1</sup> With a qualifying illness or injury, this vital insurance can help.
- **Long-term care insurance:** One of every two women and one of every three men age 65 and older will spend some time in a nursing home.<sup>2</sup> Long-term care means both protection and freedom to choose the care you receive.

For financial guidance, contact Kirk Perry, Financial Associate, at 724-836-7772 or [kirk.perry@thrivent.com](mailto:kirk.perry@thrivent.com) today, or visit Thrivent.com.

## A Trip to Synod Assembly

By Cathie Schall

Have you ever wondered what went on at Synod well.....

Have you ever listened to a fabulous speaker? Well I did, Bishop Mark Hanson was a pleasure to listen too.

Have you ever listened to someone give another explanation of a parable and wonder, How did he get to that point, or what did he just say? Well Dave Bowser and I looked at each other and wondered the same thing as we scratched our head after we listened to the keynote speaker, Rev. Dr. Mark Vitalis Hoffman. He was a real eye opener and you really missed an interesting speaker.

Have you ever sat through an election of new officers for the Synod? Well you missed your chance for this year.

Have you ever watched the Bishops and pastors do a line dance???? Well let me tell you that you probably will not see that again, but I did.

I stayed in a beautiful private suite on campus (with my own Bathroom I might add) and had wonderful meals and met many wonderful and interesting people from different Parishes and had a good time.

To sum it all up, Good Speakers, Good business, good people, good food, good fun. If you were not at the Synod Assembly in June you really ought to think about going next year because you really have to experience it for yourself. The Synod needs good people to make the decisions for the good of the Church.

**\* A Special collection will be taken on August 28<sup>th</sup> for this campaign and an envelope will be inserted in next month's newsletter.**

*"With the amount of debt I have from my undergraduate studies, it didn't matter that I'd felt called to be here. I almost didn't come because I was afraid I just couldn't afford it. And really, I can't. If it wasn't for the scholarship money available to seminarians, I, and others like me, would have no way to study here. I thank God for the continued opportunity to be here and to serve."*
